	About
	[ניני כיצי]
	ELPRESSION Our Drivers Make the Difference

Gypsum Express Ltd. has been operating since 1982 and has terminals located along the eastern seaboard and the mid-west.

Our slogan is "Our Drivers Make the Difference" because it is our drivers that represent our company both on the road and at our customer sites. We make every attempt to hire the best and once hired work together for our mutual success.
